We have different lashing capacities available for different applications and you should always consider the type of cargo you need to protect. Heavy duty calls for the most durable webbing available.

CHOOSE WEBBING

Orange

Red

Yellow

Blue

Green

Black

Purple

Some colors have become the industry standard, but we have the ability to produce webbing in different colors.

CHOOSE LENGTH

We have the ability to manufacture any length of webbing.

CHOOSE HOOKTYPE

The most popular hook is the Double J hook, but we know that different goods or different industries create specific needs, which is why we offer a wide range of hooks.

WINCH STRAP

Trailer winch straps are one of the most common pieces of tie down equipment for flatbeds and other trailers. Used in combination with winches and other related hardware, their versatility makes them the ideal choice for a wide range of cargo. The rugged polyester webbing offers very little stretch and is abrasion-, UV-, and water-resistant.
